

“Jesus, undeterred, went right ahead and gave his charge: "God authorized and commanded me to commission you: Go out and train everyone you meet, far and near, in this way of life, marking them by baptism in the threefold name: Father, Son, and Holy Spirit. Then instruct them in the practice of all I have commanded you. I'll be with you as you do this, day after day after day, right up to the end of the age."

Maybe you've felt like your work life doesn't really matter to God—that God sees your work as some sort of “necessary evil”.

Maybe you've failed to fully engage your work as a Christ-follower but you'd like to learn what that looks like.

*Taking Your Soul to Work*, led by Dr. R Paul Stevens, will equip you with a new vision for the 40-60 hours you invest in your job each week. Rooted in biblical Christian teaching, this workshop will help you grasp God's view of your work life and how you can approach your marketplace career as a profound expression of your faith.

About the author of  
*Taking Your Soul to Work*

**Dr. Paul Stevens**

Paul has been a pastor, a student counselor, a business person and a professor. His mission is to empower ordinary people to integrate their faith and life from Monday to Sunday. He does this through teaching, coaching, advocating and publishing.

This is not a seminar on how to do evangelism in the workplace—it is learning experience that will help you see your work life—the job you have right now—as a calling from God.
